Snowbird News- February 2015

The annual Snowbird Tournament was held at the AVI Resort in Laughlin, Nevada the week of February 9th through 13th, 2015. The weather was great for the second year in a row, with temperatures in the high 70's and 80's! There were 34 couples in all, and **Paul & Shirley Ruhter** came to see old friends. Paul & Shirley are doing great, and everyone was happy to see them again! It was also wonderful that **Rock & Olive Taylor** made the trip. Just about everybody who came traveled from quite a ways away, and we appreciate all of the effort that our members make! This is yet another reason why the Idaho Couples Golf Association is still the greatest golf group.

We think the prize for the team travelling the farthest to participate goes to **Kent & Rita Bates**, who flew in from North Dakota! (Do you think they were glad to see the good weather? We would bet they were!)

This was a good warm up for the 2015 tour, which will be upon us before you know it!

The warmest thanks, once again, to **Nick & Babe Hansen** and all the other couples who pitched in to help this year. Without our volunteers, the activities that we all love would never be possible!
